UNIQUE SCUBA DIVING EXPERIENCES AT "BLUTOPIA MARINE PARK"

RHODES, GREECE

Dive into the impressive marine wealth of the Aegean Sea guided by the experienced scuba diving instructors of Greece's first and only private diving park.

In Blutopia Marine Park, off the coast of the islet of Makri, just 3 nautical miles from the small port of Kamiros Skala in West Rhodes, you will admire the underwater beauty and the outstanding richness of fauna and flora of the Aegean Sea with safety and serenity.

At Blutopia Marine Park...

You will be offered the unique opportunity to dive among marine mammals and fish, impressive dolphins and large tuna, in an environment of exceptional biodiversity.

We will introduce you to the world of aquaculture by taking you to see the operation of a model fish farm unit.

You will be shown around the rich marine ecosystem of Rhodes, Halki, Alimia and Strogili and you will learn how it can be protected and preserved.

You will be guided through underwater caves and wrecks in the deep of the Western Rhodes area.

We will create your private diving excursion, a special VIP service.

You will be trained according to your scuba diving level with the recognized educational programs of ANDI/SSI/PADI. "Experience Scuba" for beginners and Continuing Education Programs for qualified divers.

We will plan and carry out the special event of your choice on Rhodes, on the islet of Makri or on Alimia.

**a transport service from and to your hotel is available.*

You will get the chance to dive into the element of water, into your internal world, into the serenity and diversity of the sea...where it all began.
